At Nel Hydrogen our vision is to empower generations with clean energy forever and with renewable sourced hydrogen we are helping the world to transition away from fossil fuels. In our Danish division in Herning we are currently more than 180 employees and expect to continue a significant growth in the coming years. The company is a global frontrunner when it comes to the development and production of hydrogen fueling stations. The market for hydrogen stations will maintain its growth in the coming years, as large-scale production of hydrogen cars, busses and trucks will be launched in the coming years.

Legal Student Assistant to Contract & Backoffice in Global Sales

If you want to obtain further legal knowledge while working in a renewable and growing company and if you are eager to experience what working in a global environment entail – this legal assisting role is something for you.

Purpose of the role:
We are looking for a dedicated Legal student assistant to support our global sales team and customers. You will be part of an energized sales team with sales connections to South Korea, California, and Denmark – and still growing. You will be working from our HQ in Herning, Denmark, and will be reporting to our Contract and Backoffice Manager in the Global Sales Department.

The job includes 1-2 working days per week in the office with the option of ramping up in busy periods or assist during holidays.

About the job position:

• Support the Contract Manager with various tasks, including participating in drafting and negotiating minor agreements such as NDA, Sales Agreement, Services Agreement, etc.
• Assisting in general legal support
• Implementing and maintaining relevant legal and sales templates.
• Ad hoc tasks for Sales e.g., travel arrangements.

Qualifications

• You are studying Law (stud.jur or stud.merc.jur) either at bachelor or at master level.
• You have a good understanding of legal methods including particular contract law
• You are result oriented and knows how important it is to follow up on deliverables, ensuring that everything runs according to plans
• You are service minded, detail oriented and structured and have a positive and energetic personality with problem solving capabilities
• You take ownership of tasks and execute them with the highest level of integrity
• You are a team player but also work independently
• Fluent in English (reading and writing)

Application and contact
Send your application/CV as soon as possible to recruitment@nelhydrogen.com. The applications will be processed on an ongoing basis, and if you need further information about this position, please contact Mette Kirk Østergaard, Contract and Back Office Manager, at Nel Hydrogen Fueling on mkirk@nelhydrogen.com.
